CONTEXT Art Miami Unveils 2026 Participating Exhibitors for 14th Edition, December 1-6

Emerging and mid-career artists take center stage as CONTEXT returns to One Herald Plaza, with immersive installations and special programming featuring Shepard Fairey

MIAMI (October 8, 2026) – [CONTEXT Art Miami](#), the sister fair to Art Miami dedicated to emerging and mid-career artists, has unveiled its 2026 participating exhibitors, returning to One Herald Plaza from December 1-6 during Miami Art Week, with tickets now on sale. Entering its 14th edition, the fair will bring galleries from Amsterdam, Barcelona, Beijing, Cape Town, Capri, London, Los Angeles, Madrid, Miami, New York, Paris, Santiago de Chile, Seoul, and beyond with new and recent works, solo artist presentations, curated projects, immersive installations and large-scale works throughout the fair.

With innovation at its core, CONTEXT offers collectors, curators and art enthusiasts the opportunity to experience the work of artists at pivotal stages in their careers. The 2026 fair will build on that focus, offering a closer look at the artists, ideas and practices shaping the modern landscape.

"Discovery has always been at the heart of CONTEXT Art Miami," said Julian Navarro, Director of the fair. "There's a profound resonance that emerges when encountering an artist or body of work for the first time—a moment of revelation that reshapes our understanding of contemporary practice. This year's participating galleries present artists whose distinct methodologies and conceptual frameworks signal critical shifts in how art is being made and experienced today."

Beyond its gallery presentations, CONTEXT Art Miami will feature special projects and curated sections that expand the experience outside the traditional booth format. From immersive installations to large-scale works throughout the fair, the programming invites visitors to engage with art across a range of scales, mediums and cultural perspectives, furthering the dialogue between artists, galleries and audiences.

This year's edition highlights exceptional artists represented by leading galleries from around the world. Among the participating galleries are Artventurous Gallery, Bel-Air Fine Art, Hilton Contemporary, Iconic Images Gallery, Liquid Art System, Nisticovich Gallery, Perseus Gallery, Steidel Contemporary, Uniquity Art Gallery, alongside many others. Together, they present a dynamic cross-section of contemporary practice, bringing together compelling new voices and established talent from across the art world.

Opening day will also feature special programming from street art pioneer and activist Shepard Fairey, recipient of the 2026 Art Miami Lifetime Visionary Award. Over a career spanning more than four decades, Fairey has dissolved the boundaries between fine art, street culture and political activism, from his iconic 1989 Andre the Giant Has a Posse sticker campaign, which evolved into the global OBEY movement, to his historic 2008 Barack Obama HOPE portrait, now housed in the Smithsonian's National Portrait Gallery.

Highlighting his multidisciplinary practice, Fairey will perform an exclusive DJ set at CONTEXT on December 1 at 7:30 p.m., with the fair extending its opening-night hours by an additional hour and a half until 9:30 p.m. The special performance will allow visitors to move from Art Miami into CONTEXT for an evening of art and music. Fairey's appearance is part of a broader celebration across the Art Miami fair family, which will also include a curated presentation inside the Art Miami VIP Lounge featuring artworks from his global portfolio; an exclusive DJ set at Aqua Art Miami on December 2; and a new exterior façade mural at the Aqua Hotel in Miami Beach.

Presented alongside sister fair Art Miami, CONTEXT offers visitors two distinct yet complementary perspectives. A connecting passageway allows guests to move seamlessly between the fairs, from CONTEXT's emphasis on emerging and mid-career artists to Art Miami's broader display of modern and contemporary art, creating a dynamic collecting experience within one waterfront destination on Biscayne Bay.

CONTEXT Art Miami, together with sister fair Art Miami, will open on December 1 with an exclusive Platinum VIP Preview from 11 a.m. - 1 p.m. for CONTEXT and Art Miami Platinum VIP Passholders, followed by the invitation-only VIP Preview from 1 - 4 p.m. for CONTEXT, Art Miami and Aqua VIP Passholders, as well as VIP Passholders from Art Basel Miami Beach, Design Miami and Untitled, and accredited press. Both previews will benefit the Pérez Art Museum Miami (PAMM), before general admission begins at 4 p.m. For the first time, CONTEXT will remain accessible to visitors until 9:30 p.m. that evening, giving guests additional time to experience the fair and kick off Miami Art Week.
